

## Schoology vs. PowerSchool

### Schoology

#### What Is It?

A Learning Management System that provides students access to class materials such as notes, videos, assignments, discussion boards, tests, announcements and calendars.

### PowerSchool

#### What Is It?

A Student Information System used by parents to view attendance, class schedules and official scores.

#### How to Access?

Both systems are accessible from the Oxford City Schools website <http://www.oxfordcityschools.com>

Go to [www.schoology.com](http://www.schoology.com) and register using your student's unique code.

If needed, contact your child's school to obtain a code.

#### How to Access?

Go to <http://oxfordcs.powerschool.com> and register using your student's unique code.

If needed, contact your child's school to obtain a code.

If you have an existing account, log in using your current information or click Forgot Password to reset your password.

### Which System Houses My Student's Grades?

**Schoology** shows scores for activities submitted in the system. Graded Schoology activities may not exist for some classes.

Scores in **PowerSchool** reflect students' proficiency on academic standards.
