

INFORMATION

CNP Biometrics

about

- A copy of the fingerprints is not stored
- A template is created for unique points on the finger and generates a number that is stored.
- Protected by FERPA - Family Educational Rights and Privacy Act
- Template is deleted when no longer enrolled or graduates
- This is not a fingerprint. It cannot be recreated or delivered to any agency.

opt-out

To opt-out a written request signed by the parent or guardian with the student full name(s) must be received otherwise permission is granted.

The request can be returned to your child's school or mailed to Oxford CNP at PO Box 7670, Oxford, AL 36203. Opt-out requests will not be accepted electronically.
