During the months of June and July 2023, Anniston City Schools will be offering free breakfast and lunch to any child 18 and younger. There is no charge for this service and no ID is required. Just come out and pick up a bag containing your child’s meals and let us help provide the extra nutrition that young people need to grow, play and learn.

Can’t wait to see you. 8:30-11:00 AM Monday Through Thursday
